**PETITION TO THE DIRECTOR TO WITHDRAW
HOLDING OF ABANDONMENT UNDER 37 CFR 1.181(a)**

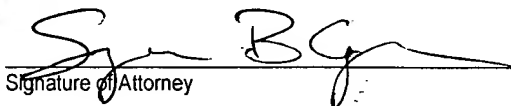

Sir:

This petition is filed under 37 CFR 1.181(a) in response to the Notice of Abandonment dated July 27, 2006 (Paper No. 20060723). The Applicants contend that the application is not in fact abandoned due to the controlling dates for filing an appeal brief. Therefore, the Applicants respectfully request withdrawal of the Examiner's holding of abandonment. No fee is required for this petition. MPEP §711.03(c).

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Mail Stop Petitions, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on the date indicated below.

The Examiner indicates on the Notice of Abandonment that the application is abandoned in view of no reply being received to the Office letter mailed on August 3, 2005. However, once a Notice of Appeal (NOA) in compliance with 37 CFR 41.31 is filed, the time period for reply set forth in the last Office action is tolled and is no longer relevant for the time period for filing an appeal brief. MPEP §1205.01.

Under 37 CFR 41.37(a), a 2-month time period is provided from the date of the NOA for the appellant to file an appeal brief. The date of receipt of the NOA is the date from which this 2-month time period is measured. The 2-month time period to file the appeal brief may be extended up to 5 months under 37 CFR 1.136(a) because the response period is nonstatutory.

The dates concerning the application are as follows.

| | |
|-------------------|---|
| 08/03/2006 | <i>Appeal Brief filed with fee for 5-month extension of time</i> |
| 07/27/2006 | Notice of Abandonment |
| 01/19/2006 | Notice of Panel Decision from Pre-Appeal Brief Review |
| 01/03/2006 | <i>Date of receipt of NOA and Pre-Appeal Brief Request</i> |
| 12/30/2005 | NOA filed with Pre-Appeal Brief Request for Review |
| 11/09/2005 | Advisory Action |
| 10/21/2005 | Response filed to 08/03/2005 Office action |
| 08/03/2005 | Office action - action is final |

Because the date of receipt of the NOA was 01/03/2006, the 2-month time period to file the appeal brief was 03/03/2006. Furthermore, the time period to file the brief could be extended up to 5 months to 08/03/2006. Since the appeal brief and petition for a 5-month extension of time were filed on 08/03/2006, the appeal brief was filed within the properly extended time period. Thus, the application is not in fact abandoned and the Examiner's holding of abandonment should be withdrawn.

Copies of the Examiner's Notice of Abandonment, the NOA with the PTO stamp date, the postcard receipt for the appeal brief with the PTO stamp dates, and the certificate of mailing for the appeal brief are included herein. The undersigned attorney attests on a personal knowledge basis to the previously timely mailing of the appeal brief in that the correspondence with a certificate of mailing was deposited on August 3, 2006 with the United States Postal Service with sufficient postage as first class mail; that this statement made herein of her own knowledge is true and that this statement made on information and belief is believed to be true; and further that this statement was made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or document or any registration resulting therefrom.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 16-0820, our Order No. 33764.

Respectfully submitted,
